Turn It Down

Kaskade

I hold my breath when I hear lies Adore to see your eyes fly I hold my breath when I hear lies I'm colorblind when you deny

There is no time to let the blood dry You running my heart Look before you make your beat loud Can you turn it down

There is no time to let the blood dry You are running my heart Look before you make your beat loud Can you turn it down Can you turn it down

Can you turn it down [x4]

Illusions fade when feelings rise I push them under as I hide Illusions fade when feelings rise I keep on finding reasons why

There is no time to let the blood dry You are running my heart Look before you make your beat loud Can you turn it down

There is no time to let the blood dry You are running my heart Look before you make your beat loud Can you turn it down [x7]
