

La Revenge

Kassidy

Well here you are! my only way out in anything that i do.
I try to fight, but i am weak and you watch as i start to lose.
And now i hide, my only answer, i'm never making it through.
Well...

I'm getting tired because i'm older
I place a kiss upon your shoulder
And in the eye you see i'm hurting,
Cause nothing compares to you!

And a ohhhh
And a ahhhh
I'm losing you!
I'm losing you!
And a ohhhh
And a ahhhh
I'm losing you!
I'm losing you!
And a ohhhh
And a ahhhh
I'm losing you!
I'm losing you!
And a ohhhh
And a ahhhh

Well here i am with eyes of fire, from spending my time with you.
I've waited all my life to find it, my luck seems to change with you.
And in the night alone in exile, just waiting to find the truth
. .
Well...

I'm getting tired because i'm older
I place a kiss upon your shoulder
And in the eye you see i'm hurting,
Cause nothing compares to you!
