

The Traveller

Kassidy

Bridges will take you to where you want to go.
Thankfully travelling passages alone.
Nothing, say nothing will make you survive!
Nothing, say nothing will make you survive!

Station please take me to where i want to sleep,
Humble in hunger with nothing here to eat.
Nothing, say nothing will make you survive!
Nothing, say nothing will make you survive!

This is where i want to be!
This is where i want to be!
This is where i want to be!
This is where i want to be!
This is where i want to be!
This is where i want to be!
This is where i want to be!
This is where i want to be!
This is where i want to be!
