

# Am I Dreaming

Kat DeLuna

See i met him on the beach  
In the summer it was hot  
We were chilling in the island breeze  
Then he whispered in my ear  
Mami come on over here  
Let me take you to your fantasy  
Should i stay or should i go  
'cuz i've been here before  
Should i even up the flow  
Get back & let it go  
'cause in my head i didnt think  
That i can fall in love with you...

And when we kissed under the moon  
Am i dreaming..  
He showed me things i never knew  
Am i dreaming...  
He know exactly what to do  
(2x) am i dreaming...  
Am i...  
(2x) am i ..dreeeeeaming

Yea, yea, yea, yea

Got my heart up in this dance  
What a beautiful man  
That batchata as we rock on the set  
Put his hand over my hips  
Started looking at his lips  
Im the luckiest girl in the land  
And i cant believe the way you  
Got me feeling right

I dont wanna leave this place  
Stay right by my side  
But in my head i never thought  
I could fall in love with you..

And when we kissed under the moon  
Am i dreaming..  
He showed me things i never knew  
Am i dreaming...  
He know exactly what to do  
(2x) am i dreaming...  
Am i...  
(2x) am i... dreeeeeaming

Baby wish we never left the floor, i dont know  
Dont wanna be alone anymore  
We have something mesured out, i dont know  
Are you real, am i dreaming...

(2x) oh eh, oh eh, oh eh oh, oh eh oh eh, oh ah

And when we kissed under the moon  
Am i dreaming..  
He showed me things i never knew

Am i dreaming...

He know exactly what to do

(2x) am i dreaming...

Am i...

(2x) am i... dreeeeaming

(2x) oh eh, oh eh, oh eh oh, oh eh oh eh, oh ah
