

# Calling You

Kat DeLuna

I'm feelin' like I got the world in the palm of my hands  
It's like I'm with you when nobody else is here, yeah  
Me and you in here together are perfect  
Just come a little closer, oh yeah, yeah

Hold on to me and feel the music  
Free yourself tonight

Oh, just do what you want, what you want like nobody's watchin'  
Do what you want, what you want, keep the party rockin'  
What, what, what, give it up like nobody's watchin'  
You know the rhythm's calling you  
Lose control, the rhythm's calling you

I can't seem to get this curiosity out my head  
'Cause when I'm next to you, you make me wanna take you there  
Whatever you need, you can find in me  
'Cause I feel like, boy, touch me there  
Chemistry is flowing, keep me going don't stop, baby

Hold on to me and feel the music  
Free yourself tonight

Oh, just do what you want, what you want like nobody's watchin'  
Do what you want, what you want, keep the party rockin'  
What, what, what, give it up like nobody's watchin'  
You know the rhythm's calling you  
Lose control, the rhythm's calling you

Calling you, calling you, calling you  
The rhythm's calling you  
The rhythm's calling you  
The rhythm's calling you

Oh, just do what you want, what you want like nobody's watchin'  
Do what you want, what you want, keep the party rockin'  
What, what, what, give it up like nobody's watchin'  
You know the rhythm's calling you  
Lose control

Oh, just do what you want, what you want like nobody's watchin'  
Do what you want, what you want, keep the party rockin'  
What, what, what, give it up like nobody's watchin'  
You know the rhythm's calling you  
Lose control, the rhythm's calling you

Do what you want, what you want like nobody's watchin'  
Do what you want, what you want, keep the party rockin'  
What, what, what, give it up like nobody's watchin'  
You know the rhythm's calling you  
Lose control, the rhythm's calling you
