

Party O'Clock

Kat DeLuna

Time to wake up the world
Right now its party o'clock
Hello world, Kat Deluna
Hello world one more time
Wake up, wake up its party o'clock
Got to [?] da di da di da di da di da di da di.....
Ooooooooooooooh.....

I don't even check the time I just look up to the sky
When the sun goes up then the party's going down aint nobody
Going home bout to take off on the floor we gone lose it to
The music till they kick us out the door then we party in Miami
Party in Ibiza party in New york all the way to Africa
Love in the Caribbean all the way to Vegas her
We go San tropez and Tokyo.

Hello world hello world wake up wake up
Its party o'clock hello world hello world
Wake up wake up its party o'clock

Ooooooooooooooh.....

Hello time to jiggle like jello feeling kind of
Good nigga got me feeling mellow and um we gone
Party like pebbles petal to the metal while I spin
Like a navel[?] everybody bra bra stop it with the
Blah blah head so high you would think I'm smoking
La la we don't want no drama hotter than lava we be
Rocking the Bahamas mamma will you take my hand come
On baby lets dance let me say the words try spark a
Romance let me show you things that you've never seen
Breath liked you never breathed spread you wings baby
Come on fly away with me its a celebration all around
The world trend stay high marvelous is how I feel pretty
Ladies every where oh yeah hello world so happy to be here

Hello world hello world wake up wake up
Its party o'clock hello world hello world
Wake up wake up its party o'clock
Hello world hello world wake up wake up
Its party o'clock hello world hello world
Wake up wake up its party o'clock
