

Just Like Heaven

Kat Edmonson

Show me, show me, show me how you do that trick
One that makes me scream, she said
One that makes me laugh, she said
And threw her arms around my neck

And show me how you do it
And I promise you
I promise that I'll run away with you
I'll run away with you

Spinning on that dizzy edge
I kissed her face and kissed her head
And thought of all the different ways
I had to make her glow

Oh, why are you so far away?
She said, why won't you ever know
That I'm in love with you
Oh, I'm in love with you

You, soft and only
You, lost and lonely
You, strange as angels

Dancing in the deepest ocean
Twisting in the water
You're just like a dream
You're just like a dream

Daylight whipped me into shape
I must have been asleep for days
And moving lips to breathe her name
I opened up my eyes

And found myself alone, alone
Alone above a raging sea
That stole the only girl I loved
And drowned her deep inside of me

You, soft and only
You, lost and lonely
You, just like heaven
