

# Take me away

Kat Graham

I'm trying to fight it  
But you know I can't hide it  
I'm ready for take off  
I want you to come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh  
Come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh  
This happens every time you come around  
This happens every time I see you  
We never get a chance, we have it now  
All we need is time of freedom

We can drink in St.Tropez  
Take to the beach and ( )  
Miami and L.A.  
You be my pilot and take me away

I'm trying to fight it  
But you know I can't hide it  
I'm ready for take off  
I want you to come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh  
Come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh  
Feel like I have found my way since  
Boy you make me feel so weightless  
Pulling me a part, feeling it  
Take a leap of fate  
I'm seeing it

I'm ready to take off tonight  
Feel that my life is ...  
Boy you put up a fight  
We can escape now  
Tonight is the night

I'm trying to fight it  
But you know I can't hide it  
I'm ready for take off  
I want you to come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh  
Come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh

I'm ready to take off tonight  
Feel that my life is runway in sight  
No way Boy, you put up a fight  
We can escape now  
Tonight is the night

I'm trying to fight it  
But you know I can't hide it  
I'm ready for take off  
I want you to come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh  
Come and take me away-ay-ay-ay  
Yeah-ay-ay-ay yo-oh-oh-oh wo-oh-oh-oh
