

Voodoo Time

Kat

Like a snake beyond society
Drive out of the father's land

Broken - see me now I'm broken
Broken - see me now I'm broken

Governments still lie
Our people die
Anger grows inside
It's voodoo time

Broken - see me now I'm broken
Broken - see me now I'm broken
Broken - see me now I'm broken
Broken - see me now I'm broken

Dying pride
Bleeding heart
Celebrate
Voodoo spell

See me now
I'm in a trance
Calling ghosts
Of voodoo

Broken - see me now I'm broken
Broken - see me now I'm broken
Broken - see me now I'm broken
Broken - see me now I'm broken
