

As My World Burns

Kataklysm

As the world burns
We stand in line
In a shade of everlasting pain...
As the world burns
We stand in line
In a shade of everlasting pain...
What's this life for?
Tell me why we live to die!?
Enlighten my soul!
All I found was a locked door...

Contradictions for eternity
Opposite ways to serenity
No one knows, the truth for infinity
Awaiting the fall of this society

Answer me this infinite question
A question with an infinite answer!
Answer me this infinite question
A question with an infinite answer!

What are we here for?...
