Kataklysm

These walls are closing in, they´r boung to suffoeate me  
Compled to live my life in ways I could never imagine  
Can you save the dying eyes? Sentenced to never be free  
I stand convieted of all your fucking lies

I can´t wait to see... all the things, that should never see th  
e light  
The damage is irreversable... outrageous...

You´ll never know what you did to me  
Until I take my last breath... I´ll take you to hell with me!

You want your chaos?.. I´ll give your war  
Locked inside myself. I´ll always blame it on you

I can´t wait to see... all the things... that should never the  
light  
The Danage, is irriversible... outrangeous..
