

## Brave

Katatonía

If you didn't know  
All the moments  
When I lose myself  
I would tell the world  
I'm catching flies by now  
Speaking to someone  
Breaking the windows  
This house is dead

The sound of falling  
When the pictures are moving  
Between the memories

The sound of falling  
When the pictures are moving  
Dead in time

Brave, try the meaning of loss  
I know your smile is deadly at this point  
Wherever you are I am not

If you didn't know  
All the moments  
When I lose myself  
I would tell the world  
I guess I should know  
The limits of the world  
There are moments I find myself  
Not breathing at all
