

all the white lights falling

the blue lights are falling  
night is warm  
came down with a promise  
I have my best shirt on  
I lower myself now  
it is a way to forget  
of last year's failure

WILL THE STREETLIGHTS REFLECT ME WELL ENOUGH  
AM I TRANSPARENT WHEN I AM CLEAN  
WILL THE DARKNESS AROUND ME BE SO STRONG  
THAT THERE IS NO WAY I CAN BE SEEN

boys will we become  
heroes of this night  
or am I just happy  
whenever not sober  
I cleaned myself well  
clean today

and when I pause for a breath  
I see millions like me
