

Lose Your Power

Katchafire

We've got the roots music, roots music
-We've got the roots music, roots music
She got the roots music, the roots music
-We've got the roots music, roots music

I blame it on the rhythm
-It's rhythmic
Blame the timekeeper, yeah - For keeping you hooked
Blame it on the drum and bass
-Just to give you a taste
Blame it on the harmonies
-What I blame it on, yeah

Blame it on the love of 'Fari

It's the roots music
