

# Cloudbusting

Kate Bush

I still dream of Orgonon.  
I wake up crying.  
You're making rain,  
And you're just in reach,  
When you and sleep escape me.

You're like my yo-yo  
That glowed in the dark.  
What made it special  
Made it dangerous,  
So I bury it  
And forget.

But every time it rains,  
You're here in my head,  
Like the sun coming out  
Ooh, I just know that something good is gonna happen.  
And I don't know when,  
But just saying it could even make it happen.

On top of the world,  
Looking over the edge,  
You could see them coming.  
You looked too small  
In their big, black car,  
To be a threat to the men in power.

I hid my yo-yo  
In the garden.  
I can't hide you  
From the government.  
Oh, God, Daddy  
I won't forget,

'Cause every time it rains,  
You're here in my head,  
Like the sun coming out  
Ooh, I just know that something good is gonna to happen.  
And I don't know when,  
But just saying it could even make it happen.

And every time it rains,  
You're here in my head,  
Like the sun coming out  
Like your son's coming out,  
Ooh, I just know that something good is going to happen.  
And I don't know when,  
But just saying it could even make it happen.  
Ooh, just saying it could even make it happen.

Your sun's coming out. Your son's coming out.
