## **Deeper Understanding**

As the people here grow colder I turn to my computer And spend my evenings with it Like a friend.

I was loading a new programme I had ordered from a magazine:

"Are you lonely, are you lost? This voice console is a must." I press Execute.

"Hello, I know that you've been feeling tired. I bring you love and deeper understanding. Hello, I know that you're unhappy. I bring you love and deeper understanding."

Well I've never felt such pleasure. Nothing else seemed to matter. I neglected my bodily needs.

I did not eat, I did not sleep, The intensity increasing, 'Til my family found me and intervened.

But I was lonely, I was lost, Without my little black box. I pick up the phone and go, Execute.

"Hello, I know that you've been feeling tired. I bring you love and deeper understanding. Hello, I know that you're unhappy. I bring you love and deeper understanding."

I turn to my computer like a friend. I need deeper understanding. Give me deeper understanding. Kate Bush
