

Hello Earth

Kate Bush

Hello Earth
Hello Earth
With just one hand help up high
I can blot you out,
Out of sight
Peek-a-boo,
Peek-a-boo, Little Earth.
With just my heart and my mind
I can be driving,
Driving home
And you asleep on the seat.
I get out of my car,
Step into the night,
And look up at the sky
And there's something bright
Travelling fast.
Look at it go
Look at it go.
Watching storms
Start to form
Over America
Can't do anything
Just watch them swing
With the wind
Out to sea
All you sailors
(get out of the waves, get out of the water)
All life-savers
(get out of the waves, get out of the water)
All you cruisers
(get out of the waves, get out of the water)
All you fishermen
Head for home
Go to sleep little earth,
I was there at the birth,
Out of the cloud burst the head of the Tempest,
Murderer, Murderer, of calm,
Why did I go?
Why did I go?
Go to sleep little earth
