

Sexual Healing

Kate Bush

Uuh, baby, I'm hot just like an oven
I need some lovin'
And baby, I can't hold it much longer
It's getting stronger and stronger

And when I get that feeling
I want sexual healing
Sexual healing makes me feel so fine
Helps to relieve my mind

Sexual healing, baby
Sexual healing is something
That's good for me

Whenever blue tear drops are falling
And my emotional stability is leaving me
There is something I can do
I can get on the telephone and call you up, baby

And honey, I know you'll be there to relieve me
The love you give to me will free me
If you don't know the things you're dealing
Ooh, I can tell you, darling, that it's sexual healing

Sexual healing
Let's make love tonight
'Cause you do it right

Baby, I got sick this morning
A sea was storming inside of me
And baby, I think I'm capsizing
The waves are rising and rising

And when I get that feeling
I want sexual healing
Sexual healing makes me feel so fine
Helps to relieve your mind

Sexual healing, baby
Sexual healing is something
That's good for me and it's good for me
And it's so good to me, my baby

Ooh, come take control
Just grab a hold
Of my body and mind
Soon we'll be making it, we will doin' it fine

You're my medicine
Open up and let me in
Darling, you're so great
I can't wait for you to operate

When I get that feeling, I need sexual healing
When I get that feeling, I need sexual healing
When I get that feeling, I need sexual healing
When I get that feeling

Heal me, baby
