

See Right Through

Kate Ceberano

I watch you sun it will fall when the day is done
And I'll care for you
Now the right time has begun to change
Time to look around you
Time to rearrange habits of life

R: Can't you see the light shining thru me
Can't you feel the good it's doing to me
I can see clearly
I can see right thru you boy

Ah you smile at me
I open up like a flower in the rain
And the heavens shine above me
Again and again
I've changed as I look around me
Life's rearranged it's much better now

R: (2x)

And I've got the world in the palm of my hand
Gonna keep it spinning just as long as I can
I can see clearly
I can see right thru it all

R: (2x)

And now I've got this world
World in the palm of my hand
And I promise I'm gonna keep it spinning
Just as long as I can
