

Sweet Sixteen

Kate Earl

Your hands
They remind me of the days
That can't be taken back

Sweet sixteen, sweet sixteen

Cool river waters
Dancing beneath
Our feet off to sea
Meet me at midnight
Down by the tree

Sweet sixteen, sweet sixteen

Love me forever
But if you have to go
Say you'll write
Don't send me pictures
I've got you memorized

Sweet sixteen, sweet sixteen
Sweet sixteen, sweet sixteen
