

# Disobey

Kate Havnevik

Disobey, disobey, baby disobey, disobey

How can you resist  
The pleasure withing the risk?  
Cause misbehaviour  
Could be your saviour

You always say,  
Keep your head above water!?  
Well I've tried,  
But I want to know what the world looks like from below

Disobey, disobey, baby, disobey, disobey no

Curiosity  
Wants you to come with me  
Misdemenor  
Couldn't be easier

You always say,  
Keep your feet on the ground!?  
Well, I've tried,  
But I wanna see what the world looks like from above

I wanna go deeper  
I wanna go higher than before  
I wanna go deeper  
I wanna go higher...

You always say,  
Keep your feet on the ground!?  
Well, I've tried,  
But I wanna see what the world looks like from above

Disobey, disobey, baby, disobey, disobey no
