```
Disobey, disobey, baby disobey, disobey
How can you resist
The pleasure withing the risk?
Cause misbehaviour
Could be your saviour
You always say,
Keep your head above water!?
Well I've tried,
But I want to know what the world looks like from below
Disobey, disobey, baby, disobey, disobey no
Curiosity
Wants you to come with me
Misdemenor
Couldn't be easier
You always say,
Keep your feet on the ground!?
Well, I've tried,
But I wanna see what the world looks like from above
I wanna go deeper
I wanna go higher than before
I wanna go deeper
I wanna go higher...
You always say,
Keep your feet on the ground!?
Well, I've tried,
But I wanna see what the world looks like from above
```

Disobey, disobey, baby, disobey, disobey no
