

I know it's late but I wanted to call
No, everything is fine
There's nothing wrong
Just needed to talk
I hoped you would answer this time

'Cos I'm so:lo
Everyone's speeding
But I'm still going slow
And I'm so:lo
Everyone glows
I see love affairs
Everywhere
But no one will do
But you

If we could speak
We could have a good row
Which of course I'd win
What I mean is I'm missing you now
This freedom is wasted on me

'Cos I'm so:lo
Everyone's speeding
But I'm still going slow
And I'm so:lo
Everyone glows
I see love affairs
Everywhere
But no one will do
But you

'Cos I'm so:lo
Everyone's speeding
But I'm still going slow
And I'm so:lo
Everyone glows
I see love affairs
Everywhere
But no one will do
But you
