

I know it's late but i wanted to call  
No everything is fine  
There's nothing wrong  
Just needed to talk  
I hoped you would answer this time

'Cos I'm so low  
Everyone's speeding  
but I'm still going slow  
And I'm so low  
Everyone glows  
I see love affairs  
Everywhere  
But no-one will do  
But you

If we could speak  
we could have a good row.  
which off course I'd win  
What I mean is I'm missing you now.  
This freedom is wasted on me

'Cos I'm so low  
Everyone's speeding  
But I'm still going slow  
And I'm so low  
Everyone glows  
I see love affairs  
Everywhere  
But no-one will do  
But you

'Cos I'm so low  
Everyone's speeding  
But I'm still going slow  
And I'm so low  
Everyone glows  
I see love affairs  
Everywhere  
But no-one will do  
But you
