

# Hello

Kate Miller-Heidke

You came over and delivered yourself to me,  
Like a telegram.  
Said "I don't know where I am, or how I got here. I don't have a stamp."  
I hadn't seen you for a while,  
You look just like your picture only deeper,  
And your smile was shy and your shirt  
Was a bit less ironed.  
I don't believe in fate instead I couldn't help thinking  
Someone must have noticed you,  
And folded you up nice and even

And sent you  
And sent you  
And sent you  
To me.

So don't apologize,  
Just bring your suitcases inside.  
Come on, come in,  
You don't have to say anything.  
Hello, get out of the rain,  
Here we go again.

Hello

The truth is, you are an angel  
Most of the time I don't feel too guilty,  
So when you look at me and I can see my dirty shadow  
On your halo glow.  
But I wanna keep things simple,  
No complications,  
No late nights and no empty rain stations.  
Remember last time?  
We don't want it like that

This time around  
This time around  
This time around

But don't apologize,  
Just bring your suitcases inside.  
Come on, come in,  
You don't have to do anything.  
Hello, get out of the rain,  
Here we go again.

Hello  
Hello

If we could save time, where could we keep it,  
If we could keep time, when could we use it.  
If we waste time, will it waste us,  
Are we too much like time

Impossible to define  
Impossible to define  
Impossible.

So don't apologize,  
Just bring your suitcases inside.  
Come on, come in,  
You don't have to say anything.  
Hello, get out of the rain,  
Here we go again.
