

I'll Change Your Mind

Kate Miller-Heidke

Oh oh oh oh oh
Oh oh

You and me
Were good together
So good together
Everyone said it.

Before you left
I'd never felt a love like that!

Oh oh oh oh oh
Oh oh

More and more lately
You get lonely
You're no stranger
To 3am

You call my number
You call me just because you can
'Cause you know I'll come
'Cause you know I'm helpless.

And maybe this will be the time I change your mind
Maybe this will be the time I change your mind
Maybe this, will be the night
Maybe this will be the time I change your mind

I drive for hours
'Round the city
But I always end up
On your street.

One night I slept
Outside your house in my car
And it was freezing
And I was shivering
Thinking...

Maybe this will be the time I change your mind
Maybe this will be the time I change your mind
So maybe this, will be the night
Maybe this will be the time I change your mind

I know we don't know
You can say it's not so
It's like being in hell
I fall for you over and over and over and over and over and over
And over again.

And now you're using me
For comfort and company
I use you too to feed my fantasy

Let you take what you need
And I will take what I can get,

Which isn't very much
A little human kit
A little human touch!

And maybe this will be the time I change your mind
Maybe this will be the time I change your mind
So maybe with this, you'll realise
Maybe this will be the tiiimmmeeee

I'll change your mind
I'll change your mind
I'll change your mind
I'll change your mind

Oh oh oh oh oh
Oh oh
