

Jamie

Kate Miller-Heidke

If the pictures in my head
refuse to come to me
I still know I can see
Jamie

And if I never make it
Anchored in this town
At least I will have found
Jamie

Jamie let's dance in the middle of the road
During peak hour traffic
Jamie let's roll around in circles in this shopping
trolley
We'll stare up at the sky
Or curl up somewhere dry
When it's rainy
Jamie

And if ever grow up
Do what I'm s'posed to do
I'll wear a dress for you
Jamie

Jamie let's dance in the middle of the road
During peak hour traffic
Jamie let's roll around in circles in this shopping
trolley
We'll stare up at the sky
Or curl up somewhere dry
When it's raining
