

# No Truck

Kate Miller-Heidke

Woah, wait a minute - not so quick  
You go from zero to ticked off and losing it  
Could somebody please tell me what just happened then

Manage to always ruin the mood somehow  
Well I'm over combing through the details now  
Far too complicated to bother with it

All you people gather round and listen up  
His Majesty the Baby has got something up  
His bottle's empty and his nappy's come unstuck  
All the kingdom must shut up

Forgive me if I'm speaking out of turn  
But I'm not as young as I used to be  
And you live and you learn  
Forgive me if I'm pushing on my luck  
But I've been through this a million times and now I'll have no  
truck with it  
No truck

Yeah we all got luggage and we all got scars  
But I know for a fact it shouldn't be this hard  
I've seen it on Dr Phil, I know all about it

And no I'm not mad, I just don't wanna play  
I know the script and I hate that game  
Think His Majesty the Baby is overtired

All you people gather round and listen up  
His Majesty the Baby has got something up  
His bottle's empty and his nappy's come unstuck  
All the kingdom must shut up

Forgive me if I'm speaking out of turn  
But I'm not as young as I used to be  
And you live and you learn  
Forgive me if I'm pushing on my luck  
But I've been through this a million times and now I'll have no  
truck with it  
No truck
