

# Ride This Feeling

Kate Miller-Heidke

I woke up this morning, made a pot of coffee  
I went out onto the stairs to sit in the sun  
I haven't been myself, I know I haven't been much fun  
But I woke up this morning and the air tastes different

The fire in the gut  
Kills the worm that haunts us  
I'm all shook up, I'm all shook up

And I 'm gonna ride this feeling as far as it goes  
I'm gonna ride this feeling  
I don't know, I don't know whether I'm flying or falling  
But I'm gonna ride this feeling

Then all of a sudden I knew I was dreaming  
And for some reason I decided to take off my clothes  
Then I jumped off a cliff, just spread my arms and flew  
All the way across Canada to see you

And I 'm gonna ride this feeling as far as it goes  
I'm gonna ride this feeling  
I don't know, I don't know whether I'm flying or falling  
But I'm gonna ride this feeling all the way down

The fire in the gut  
Kills the worm that haunts us  
I'm all shook up  
It's alright, it's alright [x3]  
Just get out of the way, and ride

And ride this feeling as far as it goes  
I'm gonna ride this feeling  
I don't know, I don't know whether I'm flying or falling  
But I'm gonna ride this feeling all the way down
