

# Supergirl

Kate Miller-Heidke

Hands in the air for supergirl.  
She goes her own way  
Hands in the air for supergirl.  
She's doing alright  
Hands in the air for supergirl.  
She goes her own way  
Hands in the air for supergirl.  
She's doing alright

You're doing it your own way  
Walking with your own sway  
Smiling into a cloudy day  
And I want you to know  
How you helped me to grow  
I just wanted to say  
Marieke, marieke, marieke  
You're okay

Hands in the air for supergirl.  
She buys sex toys  
Hands in the air for supergirl.  
She's a bit of alright  
Hands in the air for supergirl .  
She like the Beastie Boys  
Hands in the air for supergirl.  
She's a bit of alright

You're doing it your own way  
Walking with your own sway  
Smiling into a cloudy day  
And I want you to know  
How you helped me to grow  
I just wanted to say  
Marieke, marieke, marieke  
You're okay

She's fiercely independent and she doesn't need cosmopolitan  
To tell her where she fits in  
Throw her off the deep end and she'll only swim again  
She's never reach her wits' end  
She's a true believer it's not Jessica  
But Lisa when it comes to choosing Simpson's  
Smart as Sgt. Pepper  
Gets by with a little help, gets by with a little help from her friends

Ay, Marieke Marieke Marieke  
You're okay
