

I've Got a Secret

Kate Nash

I've got a secret I cant tell you
I've got a secret I cant tell you
I've got a secret I cant tell you
Ive got a secret I cant tell you

You would judge
You would judge
You would judge
You would judge

Ive got a secret I cant tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you

You would judge
You would judge
You would judge
You would judge

Ive got a secret I can't tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you

You would judge
You would judge
You would judge
You would judge

I can't be friends you can't pretend
You don't know me
You don't love me
Why can't my kiss hurt this
Why can't I be with him
Why cant we have fun with this
Oh no ?
