Jill she likes to sing  
Little Jack he dances  
Up and down the hill  
Sweetly taking chances.

If they were to fall  
Who would catch their water  
Would it be your son  
Will it be your daughter?

Who would catch the pail  
Which carefully they carried?  
If it will be you  
Then we will be married.

Then Jack he falls.  
Jill she follows after.  
Will it end in tears  
Will it all be laughter?
