

# Crazyville

Kate Ryan

Yeah, yeah...

Imaginary really scary creatures  
Alive and dead  
Awake, asleep and where am I  
This crazy dream  
This crazy scene  
This craziness has got me obsessed

Forever never ever comes around here  
This is a paranormal world in the middle of nowhere  
This is obscene, this isn't real  
Is this a dream cause I can't feel

[Chorus]

Where am I? am I stuck here in Crazyville?  
Don't know why don't know why this is so unreal  
Take me in, take me out of this Crazyville  
Show me show me  
Sho sho show me  
Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat  
Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat

This psychopathia is so disturbing  
My head is spinning, everything is upside down  
Simsalabim hey what you say  
Simsalaboom wanna come out and play  
Trick or treat  
Oh baby I'm the joker  
I am a victim of a magic accident  
Hocus Pocus I'm out of focus  
Monkey say monkey do  
Bibbedibabbediboo

[Chorus]

Where am I? am I stuck here in Crazyville?  
Don't know why don't know why this is so unreal  
Take me in, take me out of this Crazyville  
Show me show me  
Sho sho show me  
Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat  
Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat

Crazyville, Crazyville, Crazy...  
Crazyville, Crazyville, Crazy...

Crazyville, Crazyville, Crazy...  
Crazyville, Crazyville, Crazy...  
Crazyville, Crazyville, Crazy...  
Crazyville, Crazyville, Crazy...  
Crazyville, Crazyville, Crazy...  
Crazyville, Crazyville, Crazy... (crazy)

[Chorus]

Where am I? am I stuck here in Crazyville?  
Don't know why don't know why this is so unreal  
Take me in, take me out of this Crazyville  
Show me show me  
Sho sho show me  
Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat  
Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat

Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat  
Know me know me  
Where you hiding where you at  
Know me know me  
I'm the rabbit in the hat
