

Got to Move On

Kate Ryan

Every time you walk away
There's so many things that I like to say
It isn't me so it is you
I don't know what I've gotta do
When you're here I'm feeling down, feeling down

What I feel here inside
I know it isn't right, no
Cause I don't need you by my side
Cause I have other things in my mind

I don't want you here with me
Cause I know you don't love me
So I've got to be strong, got to move on

The only thing I'd like to say
Is that I can't give you my love every day
I don't know what is wrong
(and) in a minute you'll be gone
And for how long has this been going on

What I feel here inside
I know it isn't right, no
Cause I don't need you by my side
Cause I have other things on my mind

I don't want you here with me
Cause I know you don't love me
So I've got to be strong got to move on

I don't want you here with me
So I've got to move on
I don't want you here with me
So I've got to be strong

I don't want you here with me
Cause I know you don't love me
So I got to be strong, got to move on
