

L.O.V.E.L.I.F.E...

Don't ever hide
Believe inside
It's all I hold on to
Never forget
Sans regret
Or you won't find the real you

If you know what I mean say, ayo!
If you feel what I feel say, ayo!
Cause things can only get better

If you're riding the club say, ayo!
If you're banging the drum say, ayo!
We can all stand together

One life
One love
All you need in life is one love
[2x]

The air I breathe
Is pure and clean
And you should breathe it too
Just live the dream
Raw energy
It's taking over you

If you know what I mean say, ayo!
If you feel what I feel say, ayo!
Cause things can only get better

If you're riding the club say, ayo!
If you're banging the drum say, ayo!
We can all stand together

One life
One love
All you need in life is one love
[2x]

One love
One life
Everything will be alright
[2x]

One life
One love
All you need in life is one love
[4x]
