

# Magical Love

Kate Ryan

I think I feel your love tonight  
I think I need you  
I think I see you

I'm in the dark I'm in the night  
I think I'm dreaming  
My heart is screaming

I think I feel your love tonight  
Can't you hear me  
I want you near me

Don't you need my love tonight deep inside  
It's all around me I cannot hide  
From this feeling I have inside

Is this a miracle [2x]  
Is this a miracle or a magical love [2x]

I think I feel your love tonight  
I think I see you  
I think I need you

I'm in the dark I'm in the night  
I think I'm dreaming  
My heart is screaming

Don't you need my love tonight deep inside  
It's all around me I cannot hide  
From this feeling I have inside

Is this a miracle or a magical love
