

# UR My Love

Kate Ryan

[VERSE 1]

You are my love, you take me high  
You are my sunshine in my sky  
I feel this love, it's deep inside  
I still see the way you smiled at me  
I still see the way you looked into my eyes  
And please don't ask me why  
Why I have this magic feeling in my heart for you tonight  
I cannot hide

[REFRAIN]

You are my love, you take me high  
You are my sunshine in my sky  
I feel this love, it's deep inside  
You are my love, you take me high  
You are my sunshine in my sky  
I feel this love, here in the night

[VERSE 2]

I still see the way you've cried with me  
I still see the way we're dancing in the night  
And please don't ask me why  
Why I have this magic feeling in my heart for you tonight  
I cannot hide

You are my love [3x]
