

99 Times

Kate Voegele

So, you see
You've got me back again for more
And it seems
Your song is in my head, this is war
Mystery
How I could feel you breathe me
I was sure you would keep
Every promise
You would keep every word

Well I tried to put your stories in line
But nothing adds up right

For every 99 times
You looked me in the eye,
You looked me in the eye
And swore you weren't lying
Well I was so blind
I never saw the signs
I'm getting out tonight
And you're not invited

Em Bm (ah ah, oh oh) x2

It's a shame
That you left me hanging like you did
It was brave
But it was much more foolish
Don't you think?

'Cause you know I won't be satisfied
Until you realize

For every 99 times
You looked me in the eye,
You looked me in the eye
And swore you weren't lying
Well I was so blind
I never saw the signs
I'm getting out tonight
And you're not invited

These things are oh so typical
But these things are unforgivable
I'm gone and you're invisible now
Don't let me catch you following
Don't ask 'cause I'm not offering
You've caused enough of my suffering, oh

For every 99 times
You looked me in the eye,
You looked me in the eye
And swore you weren't lying

Well I was so blind
I never saw the signs
I'm getting out tonight

For every 99 times
You looked me in the eye,
You looked me in the eye
And swore you weren't lying
Well I was so blind
I never saw the signs
I'm getting out tonight
And you're not invited

Em Am C D x2 (Em)
