

# Enjoy the Ride

Kate Voegele

Tell me where the day go  
I'm lying wide awake wondering how it escaped  
The sun got away  
Lately there's a part of me  
Thinking soon enough I'll be ten more years old  
The next thing I know  
Well, I'm not about to let that happen  
Call me drastic and old-fashioned

I think it's time that we take a drive down the scenic route  
Baby sitting round here talking about it, well it doesn't count  
Can't we slow down, just take our time  
Close our eyes and just enjoy the ride

I remember last year  
I told myself I'd take every picture and chance  
Like each day was my last  
Well it's easy saying things like that  
That life has got a way of distracting your dreams  
And handing your worries  
And I don't got to let that happen  
Call me drastic and old-fashioned

I think it's time that we set aside toward the hear and now  
Baby sitting round here talking about it, well it doesn't count  
Can't we slow down, just take our time  
Close our eyes and just enjoy the ride  
Oh just enjoy the ride

Well, I think it's time that we take a drive down the scenic route  
Baby sitting round here talking about it, well it doesn't count  
Can't we slow down, just take our time  
Oh, we'll slow down and just take our time

Just enjoy the ride  
Just enjoy the ride  
Just enjoy the ride  
Whoa, oh  
Just enjoy the ride  
Whoa, oh  
Just enjoy the ride
