

# Forever and Almost Always

Kate Voegele

So the story goes on down  
The less traveled road  
It's a variation on  
The one I was told  
And although it's not the same  
It's awful close, yeah

In an ordinary fairy tale land  
There's a promise of a perfect happy end  
And I imagine having just short of that  
Is better than nothing

So you'll be mine  
Forever and almost always  
And I'll be fine  
Just love me when you can  
And I'll wait patiently  
I'll wake up everyday  
Just hoping that you still care

In the corner of my mind I know too well  
Oh, that surely even I deserve the best  
But instead of leaving  
I just put the issue to bed  
And outta my head

Oh, and just when I believe  
You've changed for good  
Well, you go and prove me wrong  
Just like I knew you would  
When I run out of second chances  
You give me that look  
And you're off the hook

Because you're mine  
Forever and almost always  
Oh, and I'm fine  
Just love me when you can  
And I'll wait patiently  
I'll wake up everyday  
Just hoping that you'll still care

Oh, oh,  
What am I still doing here  
Oh, oh,  
It's all becoming so clear

You'll be mine  
Forever and almost always  
It ain't right  
To just love me when you can, Oh  
I won't wait patiently  
Or wake up everyday  
Just hoping that you'll still care  
Forever and almost always  
No it ain't right  
To just love me when you, baby

Ain't gonna wait patiently  
I won't wake up everyday  
Just hoping that you care

Oh
