

# Lift Me Up

Kate Voegele

This road is anything but simple  
Twisted like a riddle  
I've seen high, and I've seen low

So loud, the voices over my doubts  
Are telling me to give up  
To pack up, and leave town

But even so I had to believe, oh  
Impossible means nothing to me

So can you lift me up  
And turn the ashes into flames  
Cause I have overcome  
More than words will ever say

And I've been given hope  
That there's a light on up the hall  
And that a day will come when the fight is won  
And I think that day has just begun, ooh

Somewhere, everybody starts there  
You're counting on a small prayer  
Lost in a nightmare

But I'm here, and suddenly it's so clear  
The struggle through the long years  
It's hard for me to outrun my fears

But everything that's worth having  
Comes with trials worth withstanding

So can you lift me up  
And turn the ashes into flames  
Cause I have overcome  
More than words will ever say

And I've been given hope  
That there's a light on up the hall  
And that a day will come when the fight is won  
And I think that day has just begun  
ooh yeah  
well

Oh, lift me up  
Oh, lift me up  
Oh, lift me up  
Oh, lift me up  
oh, lift me up  
woah  
lift me up  
lift me up  
lift me up, oh  
lift me up

Down and out is overrated  
And I need to be elevated

Looking up is not enough, no  
I would rather rise above, oh, oh, oh

So can you lift me up  
And Turn the ashes into flames  
Cause I have overcome  
More than words will ever say

And I've been given hope  
That there's a light on up the hall  
And that a day will come when the fight is won  
And I think that day has just begun  
Oh, just begun

Lift me up, ooh yeah ooh  
Lift me up  
Lift me up  
Lift me up  
Lift me up
