

# Sweet Silver Lining

Kate Voegele

Well, I'm going home  
Downhearted and hoping  
I'm close to some new beginning  
I know there's a reason for everything  
That comes and goes

But so many people are looking to me  
To be strong and to fight  
But I'm just surviving  
And I may be weak but I'm never defeated  
And I'll keep believing  
In clouds with that sweet silver lining

Most days I try  
My best to put on a brave face  
But inside my bones are cold and my heart breaks  
But all the while something's keeping me safe and alive

But so many people are looking to me  
To be strong and to fight  
But I'm just surviving  
And I may be weak but I'm never defeated  
And I'll keep believing  
In clouds with that sweet silver lining  
And I won't give up like this  
I will be given strength  
Now that I've found it  
Nothing can take that away
