

# Wish You Were

Kate Voegele

Gone away are the golden days  
Now just a page in my diary  
So here I am a Utopian citizen  
I'm still convinced there's no such thing as idealism

Oh, memories they're following me like a shadow now  
And I'm dreamin'  
'Cause I've already suffered the fever of disbelief, yeah

But I've seen your act, I know all the facts  
I'm still in love with who I wish you were, yeah  
And it ain't hard to see who you are underneath  
But I'm still in love with who I wish you were  
I wish you were here, yeah

I was true as the sky is blue  
But I couldn't soon say the same for you, no, no  
So now I find denial in my eyes  
Mesmerized by the, the picture that's in my mind now

Tell me when I'll finally see your shallow heart  
For what it is, yeah  
'Cause I don't wanna keep on believin' in illusions, no, no, no

'Cause I've seen your act and I know all the facts  
I'm still in love with who I wish you were, yeah  
And it ain't hard to see who you are underneath  
I'm still in love with who I wish you were  
I wish you were here

Sometimes I can't explain, and I'm so sorry that I can't  
I'll try to concentrate on your true identity

'Cause I've seen your act and I know all the facts  
I'm still in love with who I wish you were, yeah  
And it ain't hard to see who you are underneath  
I'm still in love with who I wish you were

I've seen your act and I know all the facts  
I'm still in love with who I wish you were, yeah  
And it ain't hard to see who you are underneath  
I'm still in love with who I wish you were  
Now I wish you were here

I wish you were here  
Wish you were here  
I wish you were here, yeah  
I wish you were here
