

## June Last Year

Kate Walsh

i've been blaming you  
i wanted to believe you were cruel  
i wanted you to know i was through  
but you know just as well as i do

that i can't help my heart  
i can't keep you out of sight  
i won't give you up without a fight

do you know that I'm here  
do you know that it's still you my dear  
do you know that I'm here  
and i left my heart with you in June last year

so it's been one whole year  
and i still think of you my dear  
and just when i think  
i might be clear  
i write a song like this one here

cause i can't help my heart  
i can't keep you out of sight  
i won't give you up without a fight

do you know that i'm here  
do you know that it's still you my dear  
do you know that I'm here  
do you know that it's still you my dear  
do you know that I'm here  
and i left my heart with you in June last year
