

# Talk Of The Town

Kate Walsh

Hurry on home, all the love is gone  
Hurry on home for me  
This village has a voice, it's ringing through my ears  
Hurry on home for me  
Too many faces I almost defeated  
I never fell this far  
But now that I see through the thin air in here, I see

That you just don't care  
I'm just the talk of the town  
Famous for fooling around  
But honey don't corner me in  
Till I can reign in here  
'Cause I'm just the talk of the town  
The obvious place for stealing your beautiful crown

So hurry on home, all the love is gone  
Hurry on home for me  
This headache got my heart, it's pounding like a drum  
Come drum it out of me  
'Cause now that I see through the thick empty air, I see

That you just don't care  
I'm just the talk of the town  
Famous for fooling around  
But honey don't corner me in  
Till I can reign in here  
'Cause I'm just the talk of the town  
The obvious place for stealing your beautiful crown

Stealing your beautiful crown  
But I might not
