

## Life Was

Katelyn Tarver

Life was so ordinary  
Until you set my heart free  
I'm everywhere you whisper to me  
Just look around and you will see  
You're broken unless you can bend  
It's easy once you understand  
That if you've given you will receive  
A little faith is all you need

There is no love without love  
There is no love without love  
There is no love without love

There's always a choice that you make  
And sometimes you feel your heart break  
But if it's meant to be you will be  
You'll answer your destiny  
Life was so incomplete  
Until you became part of me  
I won't let go I won't slip away  
Tomorrow's a brand new day
