

# Wonderful Crazy

Katelyn Tarver

Welcome to a new day  
Don't know what's on the way  
But whatever it is I'll be ready  
On your mark get set go  
Here's the show and the road  
But with you it's a load I can carry  
And with each breath I would take it  
Every moment gonna make it

It's a wonderful crazy  
It's a beautiful out of control  
Kinda scary amazing  
But I don't really mind at all  
It's like I'm falling, flying, laughing, crying  
Hanging on and letting go  
Cause my life' so wonderful crazy crazy

Some days get intense  
And breakdown my defense  
But I'm here and I'm not giving up  
Gonna take in the sights  
On the ride of my life  
Living just to survive's not enough  
So much love to discover  
I don't need any other

It's a beautiful crazy  
It's a beautiful out of control  
Kinda scary amazing  
But I don't really mind at all
