Brand New Key

Katharine McPhee

I rode my bicycle past your window last night I roller skated to your door at daylight It almost seems like you're avoiding me I'm okay alone but you've got something I need

Well, I've got a brand new pair of roller skates You got a brand new key I think that we should get together And try them on to see

I've been lookin' around awhile You've got something for me Well, I've got a brand new pair of roller skates You got a brand new key

I ride my bike, I roller skate, don't drive no car Don't go so fast but I go pretty far For somebody who don't drive, I've been all around the world Some people say I've done alright for a girl

I asked your mother if you were at home She said yes but that you weren't alone It almost seems like you're avoiding me I'm okay alone but you've got something I need

Well, I've got a brand new pair of roller skates You got a brand new key I think that we should get together And try them on to see

Well, I got a brand new pair of roller skates You've got a brand new key
