

Do What You Do

Katharine McPhee

This is sick
You need to come step up your game
And stand up on the world contemplating
Show me that you feel the words that I'm singing
Put your hands on me just like a man

Cause all the boys in the club wantin' me
And all the girls in there tryin' be like me
It's the game that we're playin' and I want to see
If you don't give me what I need
I can feel the rush all over me
Whenever I'm next to you
I can feel it burnin' up inside of me
And I don't know what to do
So don't stop get it get it
Cause you know I'm waiting for you
Do what you do

I know you know that I need some touchin'
Let's go baby cause I need some lovin'
God I cant wait no more, I'm lustin'
You're a big boy, why can't we rush it

Cause all the boys in the club wantin' me
And all the girls in there tryin' be like me
It's the game that we're playin' and I want to see
If you don't give me what I need
I can feel the rush all over me
Whenever I'm next to you
I can feel it burnin' up inside of me
And I don't know what to do
So don't stop get it get it
Cause you know I'm waiting for you
Do what you do

Cause all the boys in the club wantin' me (all the boys)
And all the girls in there tryin' be like me (all the girls)
Cause all the boys in the club wantin' me (all the boys)
And all the girls in there tryin' be like me (all the girls)

I'm losing patience
Can't wait for nothing, no
Please stop the talkin' cause my body's callin'
I'm tired of waiting, anticipating you
So, so baby come to me

I can feel the rush all over me
Whenever I'm next to you
I can feel it burnin' up inside of me
And I don't know what to do
So don't stop get it get it
Cause you know I'm waiting for you
Do what you do

I can feel the rush all over me
Whenever I'm next to you
I can feel it burnin' up inside of me

And I don't know what to do
So don't stop get it get it
Cause you know I'm waiting for you
Do what you do

I can feel the rush all over me
Whenever I'm next to you
I can feel it burnin' up inside of me
And I don't know what to do
So don't stop get it get it
Cause you know I'm waiting for you
Do what you do
