

# Each Other

Katharine McPhee

No more lonely nights to hurt me  
No more tears left to spare  
No more reasons to be unhappy  
You threw them all up in there air

And I don't know how you did it  
But you made me a believer  
I never thought that love  
Could turn someone into a dreamer  
For the first time in my life  
I don't feel like a need a breather  
Cause everywhere I'm gonna go  
I wanna know you're gonna be there

I'd give it all up for you  
I'd give it all up for you  
Do anything you asked me to  
Anything you asked me to  
You're like a pillow I can hold on to  
Cause we got each other  
We got each other

Now that this has gone away  
You left me here without a trace  
And now I'm in a brand new place  
Cause we got each other  
We got each other, yeah

And some times in the past almost pulled us under  
But we got through all that and it made us stronger  
Through the good, through the bad  
There just ain't another  
You're the best thing I have and we got each other

When the harder times confront me  
You always show me that you care  
And I believe you are my rescue  
When I see you right there

And I don't know how you did it  
But you made me a believer  
I never thought that love  
Could turn someone into a dreamer  
For the first time in my life  
I don't feel like a need a breather  
Cause everywhere I'm gonna go  
I wanna know you're gonna be there

I'd give it all up for you  
Do anything you asked me to  
Anything you asked me to  
You're like a pillow we can hold on to  
Cause we got each other  
We got each other

Now that this has gone away  
You left me here without a trace

And now I'm in a brand new place  
Cause we got each other  
We got each other

You are the hand that I reach for  
When I don't want to be alone  
You are the voice I hear at night  
Lets me know I'll be alright  
When I need a real good friend  
Don't have to look far  
You're the best  
I'm safe here in your arms  
And I know this is where I belong

I'd give it all up for you  
I'd give it all up for you  
Do anything you asked me to  
Anything you asked me to  
You're like a pillow I can hold on to  
Cause we got each other  
We got each other

Now that this has gone away  
You left me here without a trace  
And now I'm in a brand new place  
Cause we got each other  
Baby, we got each other

No matter what happens we got each other  
Had some times in the past but we got each other  
Through the good through the bad we still got each other  
Really happy or sad but we got each other

I'd give it all up for you  
I'd give it all up for you  
Do anything you asked me to  
Anything you asked me to  
You're like a pillow I can hold on to  
Cause we got each other  
We got each other

Now that this has gone away  
You left me here without a trace  
And now I'm in a brand new place  
Cause we got each other  
Baby, we got each other

And some times in the past almost pulled us under  
But we got through all that and it made us stronger  
Through the good, through the bad  
There just aint another  
You're the best thing I have and we got each other
